

BELIEVE IN BIG CHANGE

BUSINESS DESCRIPTION

Founded in 2020 and located in Burbank, CA, Believe In Big Change, Inc. (BIBC) is a 501(c)(3) organization with a vision of co-creating a future for single, at-risk mothers that have struggled with addiction and mental health issues. Many are victims of domestic violence as well.

BIBC's healing and life skills program is designed to bridge the significant gaps in the HUD Continuum of Care (COC) model when a woman leaves residential treatment for addiction.

THE PROGRAM IS SPECIFICALLY DESIGNED FOR:

- Women that require more life and recovery skills development and are not ready for job and housing placement
- Single mothers seeking family reunification requiring additional parenting skills development and case management
- Highly motivated single mothers and single women in recovery

PROGRAM HIGHLIGHTS

- 6-month full time program at NO charge
- Childcare for mothers with children ages 5-12
- Mindfulness & DBT focused program
- **Key classes: relapse prevention, budgeting, time management, parenting, DBT, shame resiliency, boundaries, computer skills, job interview preparation, resentments, anger management, grieving and letting go (control)**

EXPECTED PROGRAM OUTCOMES FOR GRADUATES

- Minimum savings of \$2,500
- Job Placement above the minimum wage
- Affordable Housing
- Family Reunification

6-month program for women struggling with addiction and mental health

- Necessary life, parenting, and business skills to move out of the poverty cycle permanently
